So it was a natural development that mills should be started to supply the demands. Sawmills and related mills such as box making mills were the result and there were many. On the cover are two of these plants which will be recalled by many in town. The top picture is of the old Dexter Mill which stood off Route 6 behind the Dexter Elm. The ancient elm still stands to mark the location but the mill is long gone. The bottom picture is of the Old Tinkham Saw Mill on Acushnet Road, Tinkhamtown. Left to right in the picture - Thomas Tinkham, William Haskell, Charles Ellis and Charles T. Dexter. The photo was loaned to us by Earl Tinkham.

FIRE DRILL BRINGS ACTION

At 11 on Monday morning a fire drill at Old Rochester Regional High School turned out fire apparatus and firemen in a spectacular display of readiness. What was meant to be a quiet, local affair, involving only the students and teachers at the school, was broadcast to the three towns via fire whistle when a wrong button was inadvertently pushed. Fire trucks were on the scene in minutes in quick response to this first daytime alarm.

1837...September 24. (Dr. Robbins, in the Grange Hall, at that time the Congregational Church) "Afternoon preached the sermon on Ps xcvii:1,2, on the loss of the brig Caducius, which sailed from here April 28, 1836, and was spoken at sea, bound home, November 28, and has not been heard of since. The crew were fifteen; eleven from this town. Very full meeting."

(The Caducius, built in 1829 in the Meigs yard (Hinsdale--Todd property), had been engaged in the Savannah trade bringing yellow pine to the shipyards for plankins. In 1836 she had been outfitted for whaling; it was on this first whaling voyage that she sank with all hands in a terrific gale a few days after having been spoken near the Gulf Stream. Dr. Robbins had held on January 29 a special prayer meeting for the safety of the ship and her crew. Two of those lost were Capt. Thomas M. Southworth, 28, and his young brother, Horace, 17, two of the sons of Dr. Wilbur Southworth who built and lived in the house on the northwest corner of Church and Pearl Streets. Another casualty was young James Snow, Jr., son of Capt. James Snow, who built and lived

OLD ROCHESTER ENTERS WIN COLUMN

In the second game of the season the football team at Old Rochester High defeated Dighton-Rehoboth in a hard fought ground game. Gardner Knight scored the first TD and passed to Mello for the 2-point conversion. The second score resulted from a Knight pass to Garcia who took the sideline route to score in the closing seconds of play. Up until then it was knotted at 8 to 8 in the fourth quarter following a TD by Hagopian and a 2-point conversion by the visitors. It was the second close game of the season as OR was barely nosed out by Case last week at they lost an 8 to 2 contest. Final score was 14 to 8 in favor of OR.

Billy Hubbard, pictured above in his home on Mattapoisett Neck Road, is the center of much activity in Mattapoisett at the present time. A year ago, Mr. Hubbard was putting the finishing touches on his home which he built himself when he was injured in an accident while working at a parking lot in town. His crushed leg has required three operations and he has been

will hold a sighting-in day for all hunters of the area on October 7th. The club range will be open from noon to 6 P.M. Members of the club will be on hand all day to help hunters properly sight-in their rifles.

The club is offering this opportunity as a public service to hunters in this area as part of a nation-wide program conducted by the National Rifle Association. Hundreds of NRA affiliated clubs throughout the country are taking part in this program.

A correctly sighted-in rifle is an important step to safe and accurate shooting and increases the percentage of clean kills, says Mr. Fred Hall, president of the Fin, Fur & Feather Club.

Hunters will also have an opportunity to pattern their shotguns on the FFF range. The FFF range is equipped to handle small bore rifles only at distances up to 50 yards. All hunters are requested to have all firearms unloaded and actions open when entering the range area.

A special shooters' decathlon event and numerous sighting-in day matches will round out activities at the FFF Club on Sunday, October 7th.

MOBY DICK
AFRICAN VIOLET CLUB IS FORMED

A group of women interested in the hobby of growing African Violets assembled one night last week at the home of Mrs. James Scott, Fairhaven Road, Mattapoisett, to discuss the formation of a club. Hostess for the gathering was Mrs. Scott, assisted by Mrs. Oscar St. Jacques and Mrs. Henry Fisher, who served dainty cakes decorated with violets.

Temporary officers chosen are Mrs. Charles Pfenninger of New Bedford, president; Mrs. Frank Barton of New Bedford, vice-president; Mrs. James Scott of Mattapoisett, treasurer; and Mrs. Walter Moore of Fall River, secretary. Meetings will be held the second Thursday of each month in members' homes.

Officers of the club will be happy to give further information about the organization to anyone who would like to join. Membership may have to be limited in the near future since members' homes limit by their capacity the number of persons who can attend.

NOW — MAJOR MEDICAL PROTECTION FOR PEOPLE 65 AND OVER TO HELP PAY THE BIG BILLS OF A PROLONGED ILLNESS!

Here's a remarkable new health insurance plan for Massachusetts residents 65 and over which provides protection in amounts they have generally needed most — yet have usually found most difficult to obtain.

It's Major Medical insurance . . . that helps pay the really big bills resulting from a major accident or serious illness. Such bills can run into thousands of dollars and must be met after the limits normally covered by basic hospital-surgical plans have been reached.

✱ PEOPLE WHO ARE 64 HAVE ONE MONTH TO ENROLL AFTER THEIR 65th BIRTHDAY

The monthly premium for Mass 65 Major Medical is only $9. Supplementary Mass 65 basic coverage is available, if you don't already have basic protection, for an additional $8.50. Just think how much this vital health protection would mean to you if serious illness or accident should strike!
